Use this link to practise writing the capital letters. You do not need to print the sheet. Make sure there are lines on the paper you are using to form the letters on. With the letter 'u' please show it like is U and do not use the video. Practise each letter 3 times.

You will also have sentences to read with missing capital letters. Can you spot where they need to go? On your sheet you will have to write it out again on the line. Remember to check if I have spelt my tricky words correctly.

tom will cut hte green grass.

it is going ot rain in scotland at
