

Tuesday

Maths

Today we are going to recap how to find a missing number using a number line and how to write matching number sentences by swapping the numbers around. Use 'Finding missing numbers in addition questions' to go through the learning. Complete the relevant worksheet and email it.

English

Today we are going to be looking at adding full stops in sentences. Use 'Full stops' pdf to go through the learning. Complete the relevant worksheet and email it.

Art/D+T

Today I would like your child to create a collage for the Tad story we looked at last week. Your child can choose to either create a collage of Tad in the pond at the beginning of the story or Tad changed as a frog in a colourful surrounding. You can do this however you like and can also choose natural materials too! Please send me a picture once finished so that I can add it to the website. I look forward to seeing your child's imaginative ideas!
