Can I identify nouns?

Write down 2 nouns for each group. Remember if you are naming a person or a place which is a country, city, village or town, these need a capital letter too.

Person	Place	Thing/object

Use a colouring pencil and colour all the nouns. There are 4 to find!

bell	I	the
go	into	egg
fish	Tam	no

Can you spot the nouns in these sentences? Read the sentences then circle the nouns.

Sam and Tam run. (2)

Dad can fix it. (1)

The mug is hot. (1)
