Can I identify nouns?

Write down 5 nouns for each group. Remember if you are naming a person or a place which is a country, city, village or town, these need a capital letter too.

Person	Place	Thing/object

Use a colouring pencil and colour all the nouns. There are 7 to find!

bike	playground	trolley	happy
like	into	come	Wales
tray	Tam	said	book

Can you spot the nouns in these sentences? Read the sentences then circle the nouns.
