

Wednesday

Maths

Today we are looking at subtraction using a number line only and not crossing 10. Use 'Subtracting using a number line not crossing 10' to go through the learning. Complete the relevant sheet and email it.

Letters and Sounds - no photo/image required to send back

Letters and Sounds are now live lessons every morning on Teams. Please ensure your child attends this session as it is very important for them to continue to learn how to read and write. Your child will need phoneme frames drawn on paper or in a book. It looks like this. They will need at least 6 of these drawn separately.

If your child is in Mrs White's group, they have now finished practising phase 4 words and will continue with the live lessons on Teams every morning.

Your child will need to verbally read words, sounds and answer questions. They will need paper and a pencil.

English

You can use the link to watch the story being read aloud again.

<https://www.youtube.com/watch?v=212oq0DmVfU>

Encourage your child to read what they have written so far. Look at the next 2 pictures. Discuss with them what happened in the story. Ask your child what their sentence is for the first picture and let them write. Encourage your child to describe which parts of the tadpoles grew in order. Repeat for the next picture. Encourage your child to include the tadpoles getting fewer. Remind them of starting letters from the line when writing, capital letters and full stops. You may need to help your child re-word their sentences if they are speaking in the present tense as the story is in the past. 1 or 2 sentences for each picture is enough.

PE

You can choose from 2 PE lessons today. Cosmic Yoga or Joe Wicks. Click on the link and choose a video of your choice. Enjoy keeping fit!
