

Can I add ones using number bonds?

Work these number sentences out using a tens frame.

$$4 + 1 = \square$$

$$1 + 4 = \square$$

$$14 + 1 = \square$$

$$1 + 14 = \square$$

$$11 + 4 = \square$$

$$4 + 11 = \square$$

Use number lines to work out these number sentences. Circle all the ones which make 16.

$$2 + 14$$

$$11 + 1$$

$$12 + 4$$

$$4 + 12$$
