

Can I add ones using number bonds?

Work these number sentences out using a tens frame.

$$4 + 3 = \square$$

$$3 + 4 = \square$$

$$14 + 3 = \square$$

$$3 + 14 = \square$$

$$13 + 4 = \square$$

$$4 + 13 = \square$$

Use number lines to work out these number sentences. Circle all the ones which make 18.

$$17 + 1$$

$$7 + 11$$

$$12 + 4$$

$$11 + 7$$
