

Can I find and make number bonds to 10 and 20?

Look at the tens frames and fill in the missing numbers.

$$\underline{\quad\quad} + \underline{\quad\quad} = 10$$

$$\underline{\quad\quad} + \underline{\quad\quad} = 20$$

$$\underline{\quad\quad} + \underline{\quad\quad} = 10$$

$$\underline{\quad\quad} + \underline{\quad\quad} = 20$$

Use these tens frames to show and complete the number bonds.
