

Friday

Maths

Now that we have had many lessons on numbers 11-20, we are going to move onto addition and subtraction using these numbers. Use 'Adding by counting on' pdf to go through the learning and practise questions. Complete the relevant sheet and email it. Please encourage your child to draw their jumps clearly on the number line and also to count on from the largest number. Not from 1 each time.

Letters and Sounds - no photo/image required to send back

Letters and Sounds are now live lessons every morning on Teams. Please ensure your child attends this session as it is very important for them to continue to learn how to read and write. Your child will need phoneme frames drawn on paper or in a book. It looks like this. They will need at least 6 of these drawn separately.

If your child is in Mrs White's group, please also use this link to continue to recap phase 4 reading of words.

<https://www.youtube.com/watch?v=xNCZQjTqJhU&feature=youtu.be>

Your child will need to verbally read words, sounds and answer questions. They will need paper and a pencil.

History

Encourage your child to read what they have written so far. Look at the last picture. This is probably the hardest picture to write about so prompts may be needed and a discussion before writing. Once the sequence of writing is complete, take a picture and email it. As a fun activity, I would like your child to learn about fire services then and now. Use 'Fire Services Then and Now' pdf to go through the learning. Your child then needs to cut and stick the correct pictures into the correct groups. You can also write the labels for each picture in the right group on paper or in the home learning book. Email this once complete.

ICT

For ICT, your child will be making their last pictogram. Please make sure your child is checking the numbers for this last attempt at their pictogram. Click on 2Do and load the programme as usual. This time choose 'Bears'. Here are the numbers you will need...

Blue Bear	9
Green Bear	5
Red Bear	14
Yellow Bear	20

Make sure it is saved and I will leave a comment once checked!

Reading

Please log in to Oxford Owl. Once you have clicked on the Oxford Owl ebook Library button, in the search bar search for any of these books.

Painting the Loft

Toads in the Road

They are different ability books, and you will be able to quickly see which book is best suited for your child. Please do not read any others apart from what is set as I will be using the other books over the next few weeks.

Please play any activities/games related to the books (some have them and some do not).

If you would like an easier book, once you have logged into Oxford Owl, click on the Read, Write, Inc eBook Library button and look for this book title - Will's Net.
