## 25<sup>th</sup> January 2021

Hello Everyone!

First of all, thank you for all of the amazing work you have been sending in. Miss Dosanjh has enjoyed looking at it. Unfortunately, she is not well, so I have planned this weeks work for you. It is slightly different to the usual format but it still consists of reading, writing, phonics and maths together with some topic work. There are lessons from the Oak Academy which I hope that you will find interesting. Please complete the independent learning in your yellow books and Miss Dosanjh and I will look forward to looking at it when you email photographs to the class email.

I hope you all have a good week and can't wait to see your work.

Take care and stay safe,

Mr Gilford

## Reading

Grab a book and read!

Reading is really important, so find a book you love and share it with an adult for at least 15 minutes each day, if you read a book that you really enjoy write a book review and email it in.

Please log in to Oxford Owl. Once you have clicked on the Oxford Owl ebook Library button, in the search bar search for any of these books.

Dolphin Rescue

Stuck in the mud

They are different ability books, and you will be able to quickly see which book is best suited for your child. Please do not read any others apart from what is set as we will be using the other books over the next few weeks. Please play any activities/games related to the books (some have them and some do not).

If you would like an easier book, once you have logged into Oxford Owl, click on the Read, Write, Inc eBook Library button and look for this book title -

Rag the rat

There is a daily phonics lesson for you to watch below.

You will need a pen and paper for each lesson, follow the instructions and listen carefully to the sounds. After you have watched each of the videos there is an activity based on the sound you were learning for you to complete with an adult afterwards. I have saved these onto the class pages.

Your child will need to verbally read words, sounds and answer questions. They will need paper and a pencil. It is important that your child completes letters and sounds. If your child is in **Mrs White's group**, please use this link...

Remember to use Busy Things choosing activities for phonics and number

## English

This week I would like you to use the Oak Academy and complete a series of lessons all about the story *Monkeys and Hats* with Miss Barron.

There is a lesson to complete for each day of the week and the links for each one are in the boxes below!

I hope you enjoy the story, I did!

Monday	Tuesday	Wednesday	Thursday	Friday
<b>To listen and respond to a story</b>	<b>To tell a story from memory</b>	<b>To retell the main events in a story</b>	<b>To use capital letters and full stops</b>	<b>To find information in the text</b>
In this lesson, we will be listening to a story and thinking about how the plot works.	In this lesson, we will be learning to tell the story from memory using a four-step process called, 'Hear, Map, Step, Speak.'	In this lesson, we will be retelling the main events in the story through drama and song.	In this lesson, we will be learning how to use capital letters and full stops to write story sentences that make sense.	In this lesson, we will be learning how to find important information in a text when we read, using our story, 'Monkeys and Hats'.

## Monday Afternoon Challenge - Science

This term we have been learning about Animals including Humans.

Download the Knowledge organiser and with your adult play a game to see if you can answer facts using the key vocabulary and give an example of each one.

Your adult could annotate your work as to how well you know the information.

In your yellow books choose one animal and using the key vocabulary explain to some facts about it.

Please continue to learn the facts on your Knowledge organiser over this week as on Thursday you will have the opportunity to create your own Knowledge organiser.

## Tuesday Afternoon Challenge - Art

Can you create an amazing picture of the cheeky monkeys from the story sitting in the trees wearing the hat sellers' hats?!

You can create your picture using whatever you would like to, paint, pencils, collage or things you have collected from outside to create a nature picture! The only rule is that you must photograph your picture and write a description of it to email to the class email.

I look forward to seeing your monkey in hats picture!

This one has been made from oranges and lemons!

## Wednesday Afternoon Challenge - PE

Cosmic Yoga!

You complete yoga moves to a well known story - it is really good fun!

Click onto the following link and find a story that interests you and enjoy!

<https://www.youtube.com/user/CosmicKidsYoga>

Get Active with Joe Wicks!

Joe is back! He will be back online on a Monday, Wednesday and Friday with a workout especially designed for children!

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

## Thursday Challenge - Science

Today you have the opportunity to create your own Knowledge organiser.

Download the template or create one in your yellow book.

You may wish to use the template either to write on or use the facts and pictures when creating your own.

Try not to copy from the other sheet but see how much you have learnt.

Have fun

## Friday Afternoon Challenge - Art

It's Friday afternoon so go outside, jump in a puddle and create some nature art!

Collect 4 sticks and create a frame, you can use string to tie them together if you would like to?

Once you have made your frame, place it on the ground and collect things that you can find around you to

create some nature art!
