Maths

Today your child will be finding one more and one less than a number 11 to 20. Explain to your child one less means we take 1 away and one more means we add another 1 to our objects. Use practical objects around the home (toys, lego, etc.) to practise saying a number aloud from 11 to 20. Let them write it in the middle box labelled 'number'. Let your child count out that many objects. Tell them if you want them to find one more or one less. Let your child work it out, tell you the answer and write the number in the boxes. Practise with other numbers. Remember to remind your child to count out the original amount after finding one more or one less as they will continue with the amount in front of them and then end up with the wrong answers. Your child may need directing to which box to put their answers in. Complete the sheet and email it. Please note there is 1 sheet for everyone today.

Letters and Sounds - no photo/image required to send back

It is important that your child completes letters and sounds. If your child is in Mrs White's group, please use this link...

Your child will need to verbally read words, sounds and answer questions. They will need paper and a pencil.

English

Remind your child that they are writing about the story called The Three Billy Goats Gruff. Encourage your child to read what they have written so far. Use 'Picture 3' pdf to go through the learning and then let your child write. Some children will write a simple sentence, but most children should be able to write more sentences.

PE

I would like your child to try this for their PE lessons called Cosmic Kids Yoga on Youtube. The first video is a Billy Goat's Gruff session which is quite short, and the other video is longer.

Reading

Please log in to Oxford Owl. Once you have clicked on the Oxford Owl ebook Library button, in the search bar search for any of these books.

Jack

Home for a Night

They are different ability books, and you will be able to quickly see which book is best suited for your child. Please do not read any others apart from what is set as I will be using the other books over the next few weeks.

Please play any activities/games related to the books (some have them and some do not).

If you would like an easier book, once you have logged into Oxford Owl, click on the Read, Write, Inc eBook Library button and look for this book title - Sound blending 1.
