Maths

Today your child will be comparing amounts using these words 'greater than', 'less than' and 'equal to'. The first part of the lesson will be practical, and the second part will be completing questions on a worksheet. Use 'Comparing amounts' pdf to go through the learning. Complete the relevant sheet and email it.

Your child will need to verbally read words, sounds and answer questions. They will need paper and a pencil.

English

Remind your child that they are writing about the story called The Three Billy Goats Gruff. Encourage your child to read what they have written so far. Use 'Picture 5' pdf to go through the learning and then let your child write. Some children will write a simple sentence, but most children should be able to write more sentences. Take a picture of the 5 pages written and email it.

ICT

For ICT, your child will be making another pictogram. This time explain to your child I have rolled a dice 20 times and recorded each time which number came up. Once you have logged into PurpleMash, click on 2Do, and open the programme. Choose 'Dice'. Your child will need to count how many of each number I rolled and add this to their pictogram, e.g. if I rolled a 1 3 times, they will have to show 3 number 1 dice. Once complete, they need to save their work as 'Dice

pictogram' and then I can mark it and leave feedback. Here are the numbers you need...

5	5	3	2	2

6	6	4	4	1

3	1	5	4	2
