Maths

Use the 'Sorting 2D Shapes' pdf to go through the learning and discuss/answer questions. Complete the worksheet and email it. I have emailed you all individually last week about which sheet your child should be choosing. If you are new to home learning please email me and I can let you know which sheet your child needs. You may need to write what your child says where there is a blank line.

Letters and Sounds - no photo/image required to send back

It is important that your child completes letters and sounds. If your child is in Mrs White's group, please use this link...

Your child will need to verbally read words, sounds and answer questions. They will need paper and a pencil.

English

Use the 'Adjectives' pdf to go through the learning and discuss/answer questions. Complete the matching worksheet and email it.

RE

In RE we are looking at what God is like. Use the link to show the parable (story) called The Prodigal Son. We have already seen this last week it is just a recap. Ask your child these questions and they should be able to answer them as we had an in-depth discussion last week.

- Why were one of the sons angry?
- Why was the dad happy to have his son home?
- What did the younger son say to his dad when he came home?
- Is God like a parent? How? (in the story the dad forgave his son for spending all the money he gave to him and God forgives us when we have made the wrong choice).

Your child is going to see how love goes out both ways - people loving God and God loving people and how God is like a parent.

Use the person outline and ask your child what do parents say or do to show they love their children? Children can either draw or write their answers or you can write for them. They do this inside the person outline. Then ask your child what do children do to show they love their parents? They can draw or write their answers around the outside of the person outline. Complete the sheet and email it.
