

*Patterns with 3D and 2D  
shapes*

I am making a pattern.  
Can you say the pattern out loud?  
I will start you off...

Rectangle, triangle.....

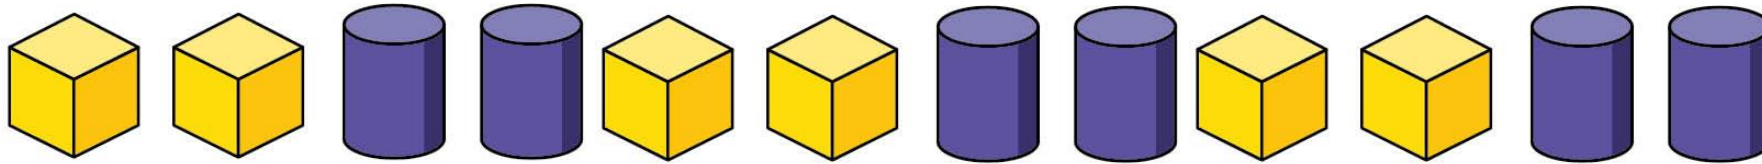

Which shape comes before the circle?

Which shapes comes after the rectangle?

I am making a pattern.  
Can you say the pattern out loud?  
I will start you off...

Cube, cube...

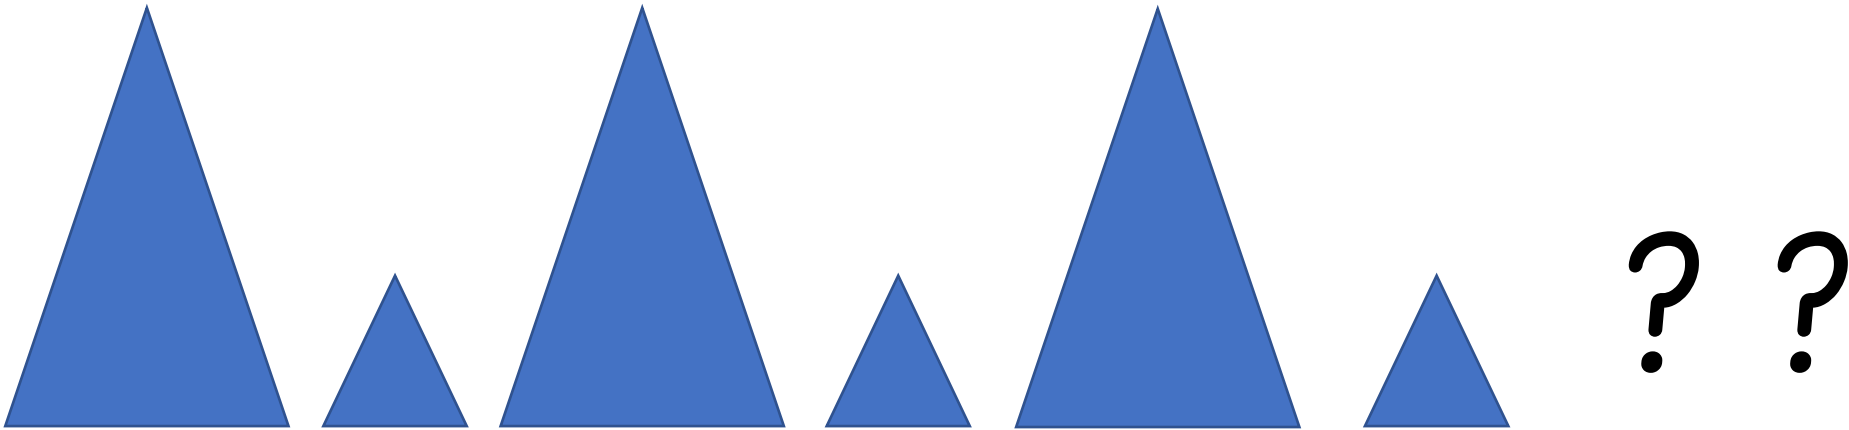

Which shape comes before the 1<sup>st</sup> cylinder?

Which shapes comes after the 2<sup>nd</sup> cube?

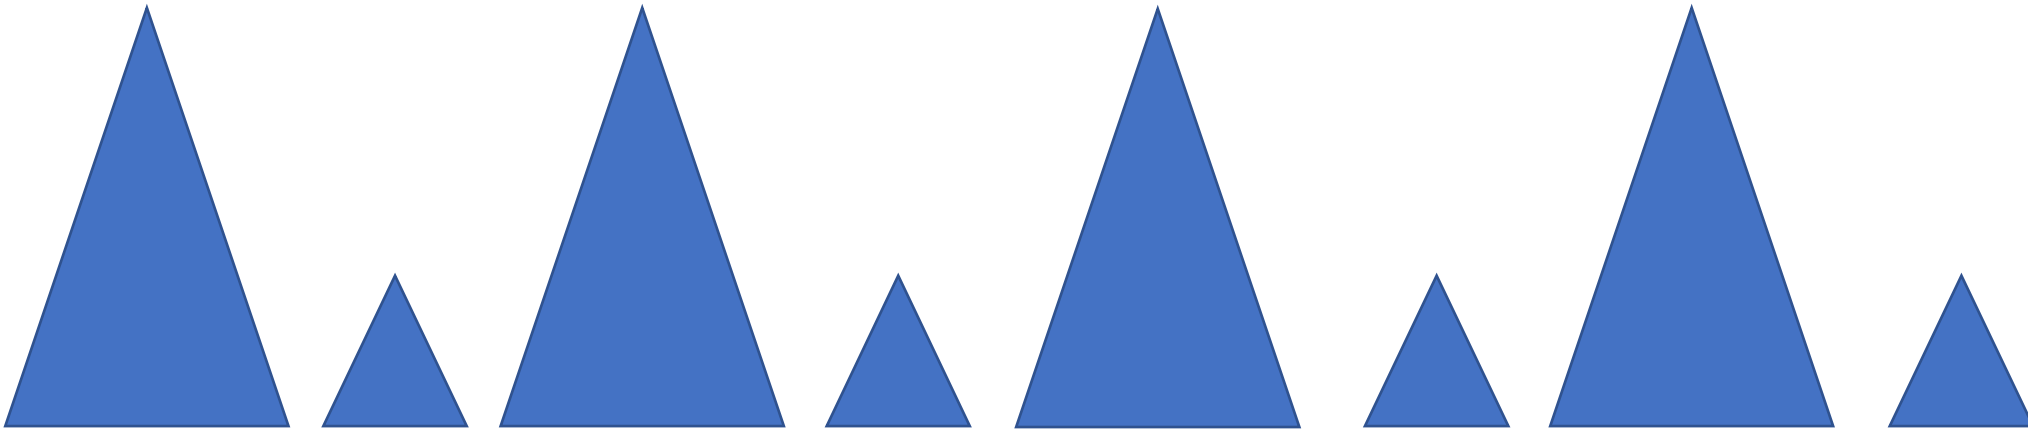

Look at this pattern.

Can you tell your adult what the next 2 shapes will be?  
If you say the shapes and sizes out loud it might help you.
