

Apology letter or sorry letter

Today you are going to pretend to be Goldilocks and write a sorry letter to the Bears for entering their home and making a mess!

We have written letters when we did work about Rama and Sita and when we pretended to be the boy in the Snowman film and wrote a letter home to our families.

Can you remember how we
begin a letter?

Can you remember how we end
a letter?

We start a letter with this
word

Dear

We write the names of the
people we are writing to after
this word.

Dear Mum and Dad

Dear Santa

Dear Billy

Dear Miss Dosanjh

Who are you going to be
writing to today?

Dear

We end a letter like this

From

Love from

We only use love from if the people we are writing to are family or a good friend.

How are you going to end your letter today? Remember you are somebody else today when you write this letter!

Look at the questions on the next page. An adult will read you the questions and you have to answer in a full sentence. This is the sentence you will write down and by the end you will have a letter!

I can't wait to read your letters. Remember capital letters at the beginning of sentences, full stops at the end of sentences, capital letters for names and great ideas! You might want to use 'and' to join 2 of your answers together!

Dear

What is your name?

Why are you writing this letter?

Explain what you did.

What are you going to do to make it right? (You might invite the Bears round to your house, you might want to clean up their mess, you might want to buy new furniture for them or have your own ideas!)

A nice message to the Bears (I hope you can forgive me, I hope you know how sorry I am, I will never do this again or any of your own ideas!)
