

Can I work out numbers 11 to 20 from different representations?

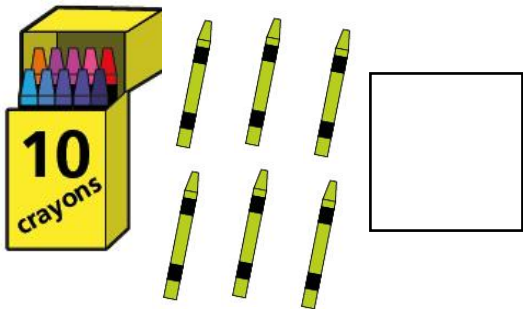

Work out what these numbers are and write them in the boxes!

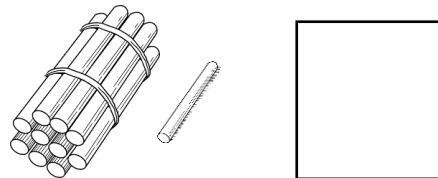

I have made the number 19

	●	●	●	●		●	●	●	●	
●	●	●	●	●		●	●	●	●	

Has Teddy made the number 19?

Explain your reason.

True or false? I have made sixteen in 3 different ways?
