

Wednesday

Maths

Please use the 'Naming 3D shapes' PowerPoint to recap 3D shapes with your child. Then use the 'Sorting 3D shapes' pdf to go through the learning and questions.

Please complete the worksheet and email/scan back to me. You may need to write what your child says where there is an empty line. Some children may like to have a challenge, so I have provided 2 challenges at the end. If your child finds it tricky, please leave it out.

Letters and Sounds - no photo/image required to send back

It is important that your child completes letters and sounds. If your child is in Mrs White's group, please use this link...

<https://www.youtube.com/watch?v=HsMd7A0tvkQ&feature=youtu.be>

If your child is in Miss Dosanjh's group, please use this link...

<https://www.youtube.com/watch?v=AAIs6YzFTYM&feature=youtu.be>

Your child will need to verbally read words, sounds and answer questions. They will need paper and a pencil. Your child will know which group they are in for Letters and Sounds.

English

We are looking at traditional stories and starting off with Goldilocks and The Three Bears. Please let your child watch the story using the link.

<https://learnenglishkids.britishcouncil.org/short-stories/goldilocks-and-the-three-bears>

Your child will need to cut the pictures out and stick them in the correct order. You can make your own book if you like as this is what we will be doing in class. Please make sure space is left for sentences. Use the 'Goldilocks and The Three Bears' pdf to go through the learning. Your child will need to write sentences for the first 2 pictures only. Please do not let your child copy your writing. They need to think of their sentences, verbally say it out loud and then

write using their sounds. Please complete the first 2 pictures and email/scan back to me.

### Science

Use the 'Naming identifying animals' pdf to go through the learning. Complete the worksheet. Encourage your child to hear the first few sounds of the animal name and find this on the sheet. They need to copy the animal names carefully on the lines. Please complete and email/scan back to me.

### Reading

Read and share a book with your child.
