English

Finish off writing the Goldilocks story book. From what I have seen, I've been really impressed with the use of adjectives (describing words) and the word 'and' to extend sentences. Please remind your child that any names also need capital letters. Use the pdf for question prompts so that your child can form sentences and write them down. Once stories are complete, please email these back.

Letters and Sounds - no photo/image required to send back

It is important that your child completes letters and sounds. If your child is in Mrs White's group, please use this link...

Your child will need to verbally read words, sounds and answer questions. They will need paper and a pencil.

Art

During some of this half-term, children will be learning line drawing skills and by the end they will learn how to draw an animal using different types of lines! Please use the 'Different types of lines' mat to show your child what the lines look like and what they are called. Then show your child one-by-one how to draw a type of line and let them have a go. You don't need to use the sheet, any paper is fine, but I have attached it if you would like to use it. If you have a ruler, teach your child how to use this to make straight lines. If not, please do not worry just have a go at drawing different types of straight lines (as best as your child can). Please could you send me this work once complete as I would like to see the progression over the weeks.

Reading

Please log in to Oxford Owl. Once you have clicked on the Oxford Owl ebook Library button, in the search bar search for any of these books.

Little Red Hen, Big Bad Bug and Silver Foil Rocket.

They are different ability books, and you will be able to quickly see which book is best suited for your child. Please do not read any others apart from what is set as I will be using the other books over the next few weeks.

Please play any activities/games related to the books (some have them and some do not).
