

What should I know already?

- We have a Queen in our country right now

Things I need to know

- Understand why Queen Victoria was famous
- Use common words and phrases which belong to that time long ago
- Understand where Queen Victoria fits in a chronological timeline
- Ask and answer questions using information learnt to show knowledge and understanding of key features and events

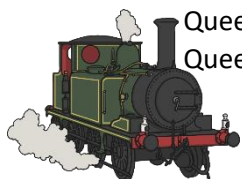

Diagrams

Queen Victoria

- She was Queen when she was only 18 years old!
- She was the Queen for the United Kingdom and Ireland.
- She was Queen for 63 years – the longest anyone had been Queen, but the record has now been broken by the Queen we have now.
- She was Queen in the Victorian Age.
- She was in charge of lots of different countries around the world.

- Queen Victoria married Prince Albert from Germany.
- He died from a terrible disease and this made Queen Victoria really sad.
- She decided to wear black clothes for the rest of her life.

Queen Victoria was the first Queen to ride a steam train.

Queen Victoria and Prince Albert started the tradition of Christmas trees and sending Christmas cards as it is from Germany where Prince Albert was from.

Toys were made out of wood by hand.

School life was very strict and different.

There were not many cars around so people had to walk or go by horse and carriage.

Vocabulary

Victorian Age – a time where Britain started making materials like coal, metal and fabric for other places around the world. This time was named after Queen Victoria who made many of these things happen.

Victorians – people who lived when Queen Victoria was in charge. It was a time for new inventions and discovering new things.
