

Library Rota

Rules:

Each class must visit the library on their specific day only!

Children will need to keep the book they take until they visit the library again (this will probably be 3/4 weeks).

When they have chance to visit the library again, old books are to be placed in the labelled box inside the library, which will be kept in there for a week.

Library monitors will put books away on the shelves (with Miss Redden) on their specific duty date.
