# Life in Kenya

We are going to learn about what life is like for a child in Kenya. We are going to watch a video about Evangeline, who is a young girl who lives in the countryside in rural Kenya, near Mount Kenya.

**Watch the video about Evangeline.**

As you are watching, think about these questions:

- 1. What is similar to my life in the UK?**
- 2. What might be different? Why?**

**Note down your findings from the video in a grid like this.(templated provided)**

Same in the UK and Kenya	Different in the UK and Kenya

 I eat ugali (porridge) for breakfast.	 We have break and lunchtime. I can have a school lunch or bring a packed lunch.	 We get to school before the teachers.	 At 8 AM, we pray and sing and then start our maths lesson.
