General

Do not forget about the **Teams video calls** they are important for introducing learning and providing feedback. You have new spellings on **Ed Shed** and a new battle on **TTRockstars!**

Do not feel that you have to print things out, copying your answers out into your home learning book is fine.

Tuesday 2nd	<p style="text-align: center;">Creating an African setting</p> <p>Today you are going to be thinking about a setting for your story. <p>Wednesday 3rd</p>	<p>Planning a story Use the story planner to plan your story using your character and setting. You are not writing the story yet so you can write using bullet points.</p> <p>Think about where your story starts, then think of a problem your character faces. This problem should then be resolved for a happy ending.</p> <p>I have provided an example.</p>	<p>Make equal groups (The rest of this week might seem simple as it is the start of a new unit.) https://vimeo.com/480212026</p> <p>Please watch the video and complete the worksheet.</p> <p>There is a challenge activity video if you would like to complete it.</p> <p>https://vimeo.com/480211577</p>	<p>Miss Smith's Group Recap- When adding 'ed' to words of one syllable, the last letter is double to keep the short vowel sound.</p> <p>Activity- reverse the 'ed' process and return the words back to their root word. Remember that to make the word end in 'ed' you have to double the final letter so to remove 'ed' you must also remove the letter before the 'ed'.</p> <p>Mrs Nanuwa's Group- https://www.youtube.com/watch?v=uRmjH4TzITw&feature=youtu.be</p>	<p>PE- Complete some go noodle videos of your choice.</p> <p>Music- Today's lesson follows on from last weeks. Today you are recognising musical symbols.</p> <p>https://classroom.thenational.academy/lessons/recognising-musical-symbols-chh32e</p>	<p>Please read an age appropriate book on Oxford Owl.</p>
<p>Thursday 4th</p>	<p>Writing a story Today you are going to be writing the first half of your story. This should focus on your introduction and build up but you need to include lots more detail. You can write this in your book.</p> <p>Please keep your writing neat!</p> <p>Your story should include capital letters, full stops and exciting vocabulary. See if you can include commas in a list and an exclamation mark as an extra challenge.</p>	<p>Add equal groups https://vimeo.com/480212584</p> <p>Please watch the video and complete the worksheet.</p> <p>There is a challenge activity video if you would like to complete it.</p> <p>https://vimeo.com/480212262</p>	<p>Miss Smith's Group - Application activity using the same spelling rule. See activity for instructions.</p> <p>Mrs Nanuwa's Group- https://www.youtube.com/watch?v=ZNikBc4tZic&feature=youtu.be</p>	<p>Science- Working together, staying alive. Recap last weeks learning about world habitats using the PDF. Then use it to learn about dependency.</p> <p>Show your understanding by labelling how the living things depend on each other. There are three sheets ranked by the stars in the top left corner. One star is the simplest and they increase in difficulty. You may choose which sheet to complete, you do not have to complete them all.</p>	<p>Please share a book from home together.</p>
