English

Can I gather and organise vocabulary for
narrative writing?

Take a look at the words on the next slide.

- Can you identify them as a noun, adjective, verb or adverb?
- Demonstrate how to work out the role of a word by putting it into a sentence e.g. 'The swamp was wet' - the word 'wet' here is describing the swamp. It is therefore an adjective.
- Discuss that 'Kalahari Desert' is a proper noun (name), just like 'Sunny' so always needs a capital letter.

Noun, adjective, verb or adverb?

- dry
- Kalahari Desert
- playing
- sleepily
- eat
- Sunny
- wet
- rainy
- dark
- family
- afraid

Activity- Setting Mind map

- You are going to create a mind map about the different places Sunny visited. You can focus on one in particular or a few of the places. Think about...
- What is the weather like?
- What can you see there?
- What is it like to walk around there?
- Did Sunny mention the food?
- What other creatures live there?
- What do these creatures do? What do they look like?
