Thursday 3rd September 2020

Dear Parents / Carers,

The children have settled in really well and we are pleased they have adapted to the new rules and routines so well.

If your child is having a packed lunch, please could you ensure that they are given food items which they can self-open. Things like cheese strings can be pre-opened for them and carton drinks with the wrapper taken off the straw will help. We would advise not to send your child with capri-sun type drinks as children are finding these tricky. We are asking for this as we have to limit the amount we are interacting during lunch times.

If your child is having a hot dinner, practise at home using a knife and fork to cut larger pieces of food will help with the children's independence during lunch times.

Thank you ever so much for your co-operation during these times.

Many thanks,

Miss Dosanjh and Miss Smith
