

EYFS Curriculum Information

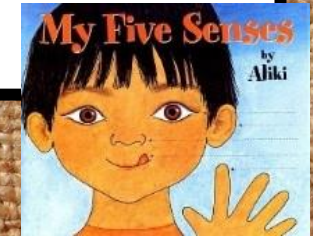

Autumn 1 - All About Me

Our topic in Autumn 1 will be based upon 'Me and my world'. We are looking forward to lots of wonderful learning whilst getting to know your child.

Through this topic, the children will explore and celebrate their likes, dislikes and differences. Using mirrors, they will discuss how we are similar but also different which makes them unique. We will celebrate that all children and people are different, and our differences are what makes us special. Children will produce self-portraits using mirrors, paint colours and loose parts.

We will be reading stories to give children opportunities to talk about their family and people who are special to them. The children will be learning the names of different body parts and learning about senses and what they can do.

In our Maths sessions, we will be looking at measuring, comparing and sorting as well as looking at different types of measures and patterns.

Personal, Social and Emotional Development

Discuss similarities and differences
Name special people in their lives
Identify who can help
Describe different feelings
School rules and routines

Physical Development

Getting dressed independently
Pencil control - making patterns

Writing

Mark making for different purposes
