

Year 4 learning update

This week the children have finished learning about William Shakespeare and his famous play - Julius Caesar. They have worked very hard and enjoyed acting out some of the scenes! We have started our science topic - Electricity, learning about Static and Current electricity. This afternoon the children have listened and learnt the songs with Emma from Leicestershire Music Hub which we will be performing at the RISE CHORAL EVENT. The theme is BOOKS. Thank you to those who have already handed in your child's permission slip. You can access the website:

<https://leicestershiremusicHub.org/rise-mat-spring-24>

The password is: MatRise24 Each child has also been given a booklet of the songs, please bring these to school every day.

On Wednesday 14th February the children will be interviewing Lizzie Berry about her various roles and links with our school. The glitches with Spelling Shed have now been resolved. Thank you for your patience. We are currently awaiting confirmation regarding our 'Busy Things' subscription. Last Friday, the children earned their Marble Treat and asked to play with Baby Serenity. They were all so caring and gentle with her. One more week until the half term break.

Have a lovely weekend.

The Year 4 team 😊
