

Homework week commencing 1st July 2024

Well done for all your hard work on quadrilaterals. There were some tricky questions so a super effort from all! House points will most definitely be given out.

Since we have been studying all about rocks, I have set you a science task on everything about ROCKS!

This is also our last piece of homework for year 3, so an extra cheer for you all!

When your holiday starts, I do wish you a wonderful holiday of fun and excitement! Thank you for being such a great bunch of learners and I wish each and every one of you all the best for next year!

Kind regards,

Mrs Padam
