

Homework week commencing 18th March 2024

Well done for all your hard work on fractions! You will get some well-earned house points.

For our final week before the holidays, I have given you a reading comprehension task to complete linked to our Myths and Legends topic in English. The deadline is not until 8th April, the first Monday back after Easter, so you have plenty of time to complete it.

Wishing you all a wonderful Easter Holiday!

Kind regards,

Mrs Padam
