

Wednesday 7th June 2023

Summer term learning update

Dear Parents/Carers,

We hope you and your families have had a restful break. Three days back to school and the children have already hit the ground running! We have been preparing the children for their official MTC times-tables check and this will take place over the next few weeks. Please continue to encourage your children to revise at home.

We are hoping to finish off our Decimals topic in Maths and will begin learning about Money. Our next topic is Science - States of Matter.

Conkers trip - Tuesday 13th June 2023

Please bring your child to school as normal on the day of the trip, as the visit will be during school hours.

Can you also make sure that your child brings a drink and a packed lunch for the day in a small rucksack. Sensible footwear is recommended as we will be outside walking, however we still expect children to come in school uniform including their jumper/cardigan, as this makes it easier to identify all in our group. A light jacket should also be packed, just in case the weather changes.

We would also like to take this opportunity to thank you for purchasing tickets for the Choral event taking place on Tuesday 27th June. We will send an update on the day's routine beforehand to help you prepare.

Many thanks again. The Year 4 team 😊
