

Summer term 26.4.23

Year 4's learning update

Dear Parents/Carers,

Welcome back to the Summer term, we hope you all enjoyed the Easter break. We have been very busy being back at school. Here's a little update of what your child has been learning:

English - Year 4 have started to learn about the story of "The Borrowers". The children will be learning how to write a narrative with chapters. We have been focusing on using punctuation correctly and writing compound and complex sentences.

Maths - We are aiming to complete our Fractions topic this week. Our next topic will be Decimals.

Topic - The children have enjoyed learning about Still Life Art and creating images using various techniques including contouring! This week we have begun our History topic on the Roman Empire!

PE days will remain on Mondays and Wednesdays. Please ensure your child is wearing the correct PE kit. We have noticed a lot of children are wearing t-shirts with logos including football tops which isn't allowed.

Homework: We are trialling paper-based homework activities from time to time. This week we have sent an English based activity on punctuation. This is due back on Wednesday 3rd of May.

Spellings + Times-tables - Due to the bank holidays, Spelling tests and Times-tables tests will occur on a Tuesday or Wednesday.

Thank you for supporting your child to practise the songs for our Choral event taking place on Tuesday 27th June. Additionally, we will also update you about our end of year trip taking place.

Have a lovely bank holiday weekend 😊

See you on Tuesday 2nd May.

Mrs Greer, Mrs Mitchell and Mrs Langton.
