

Homework week commencing 26th June 2023

I have really enjoyed reading your fantastic reports on Mountains. Well done for all your hard work and efforts! House points are most definitely deserved!

As we have been learning about Light and Shadows in Science, I am setting you a quiz to test your knowledge. It should be fun! See if you can get a top score!

The task can be found on **Purple Mash**, as usual.

All the best!

Please complete your task by Monday 3rd July.

Kind regards,

Mrs Padam
