

Homework week commencing 5th June 2023

Welcome back! I hope you have all enjoyed a wonderful break in the sunshine! I can't quite believe that we are entering the final term of this academic year. However, we still have some learning to get through!

We are starting off learning about maps and mountain ranges of the world in our Geography lessons, so the task on **Purple Mash** relates to this, identifying different map symbols.

All the best!

Please complete your task by Monday 12th June.

Kind regards,

Mrs Padam
