

Homework week commencing 15th May 2023

Excellent fraction work Year 3!

As we are currently learning about plants in Science, I would like you to write about what plants need to grow. Remember we have covered the main ingredients for a plant to grow in our Science lessons. The task can be found on [Purple Mash](#).

All the best!

Please complete your challenge by Monday 22nd May.

Kind regards,

Mrs Padam
