

Homework week commencing 13th February 2023

One more week until half-term! This term has certainly raced by! The next piece of homework will be set for two weeks, since we are on holiday for one week. It will hopefully give you plenty of time to complete it.

You have shown great understanding of magnets, magnetism and forces, so our next task is focused on the History work we have studied in class.

Please continue to login to **Purple Mash** and go to your '**2Dos**' tab where you will find your updated homework task.

I would like you to write about the different groups invading Britain after the Romans left. Who were they and where did they come from? Use the information given on Purple Mash but also think about what we have talked about at school.

Wishing you all a wonderful half-term break!

Any questions, please don't hesitate to contact me via email.

Kind regards,

Mrs Padam
