

Homework week commencing 6th February 2023

Well done for your explanations on different types of forces such as pushes and pulls. Now, don't forget to collect your house points!

Please continue to login to **Purple Mash** and go to your '2Dos' tab where you will find your updated homework task.

We will continue to focus on Forces this week, as I have set another Science task which is all about working out which materials are magnetic or not. All the best!

Any questions, please don't hesitate to contact me via email.

Kind regards,

Mrs Padam
