

## Homework week commencing 30<sup>th</sup> January 2023

Your Helping Hands posters were amazing with so many lovely comments about adults and friends who help you. I felt quite moved! Now, don't forget to collect your house points!

Please continue to login to **Purple Mash** and go to your '**2Dos**' tab where you will find your updated homework task.

This week, I have set you a Science task, as we have been learning about Forces and Magnets in class. The activity will help you to recall everything about pushing and pulling forces.

Finally, regarding Spelling Shed, the weekly spelling words in your yellow books, should now be in sync with the spellings on EdShed. My apologies for any confusion; it is the holidays that throws the sequence out, but hopefully it should be fine now!

All the best!

Any questions, please don't hesitate to contact me via email.

Kind regards,

Mrs Padam
