

Homework week commencing 14th November 2022

Excellent work on the skeleton and bones this week!

So, I thought it was time we did some practice with our Maths skills! This interactive Maths game will help you practise your knowledge of number bonds to 100 and 50. Get counting and gain lots of points!! Have fun!

Any questions, please don't hesitate to contact me via email.

Kind regards,

Mrs Padam
