

## Homework week commencing 24<sup>th</sup> October 2022

Welcome back to a new term! I hope you've had a good rest as this is going to be yet another busy one, with Christmas looming and lots of lovely learning activities for our children.

Well done for keeping up with your reading during your half-term break! You have produced some great book reviews of *The Settlers*. Well done everyone! Make sure you collect your house points!

The next task has been set on **Purple Mash** and you should be able to find it under 2Dos this time. As we are starting a new Science topic on Nutrition and Movement, the task is to design a balanced meal. Purple Mash will give you some options and guidance to get you started, but I will go through what you need to know in class as well.

I think this will be a really fun learning activity!

Any questions, please don't hesitate to contact me via email.

Kind regards,

Mrs Padam
