

Homework week commencing 4th October 2021

Well done for keeping up with your reading and completing the quiz. You have all come up with some great suggestions for helping the hedgehogs!

We are nearing the end of **Lucinda Leap and the hedgehog gang** with only chapter 6 left to complete, and one quiz left to do. After that, I would like you to do a book review of the book, using the template given on Purple Mash. Try to give reasons for your opinions. Why did you enjoy/not enjoy the book? What did you find interesting or exciting?

I shall be looking at your answers and work, with house points ready for your good efforts. Make sure you look out for my comments!

Deadline to complete the homework is 11th October when the task expires.

Mental Maths tests have now been set, so please make sure you practise regularly. The first test is on Thursday, 14th October.

As ever, please don't hesitate to contact me via email if you any queries.
