

Homework week commencing 27th September 2021

I hope you're enjoying our book on Purple Mash. I thought that you have come up with lots of persuasive arguments why Mrs Burdock should give money for the garden. I'm sure she would be convinced!

So, we are continuing to read **Lucinda Leap and the hedgehog gang** and this week we are reading chapter 5. As usual there is a short quiz to follow to make sure you have understood the main plot thoroughly.

Finally, there is a task for you to complete which is to come up with three ideas for how Lucinda could help the hedgehogs.

I shall be looking at your answers and work, with house points ready for your good efforts. Make sure you look out for my comments!

Deadline to complete the homework is 4th October, when the task expires.

As ever, please don't hesitate to contact me via email if you any queries.
