

Homework week commencing 13th September 2021

Great Science work Year 3! You were able to label most bones in our bodies correctly.

This week, we are focussing on using our reading skills to answer questions about a text. Please go to **Purple Mash** where you will find new assignments set for you.

We are starting to read a new book called **Lucinda Leap and the hedgehog gang.**

I have set you two chapters to read for this week with an online quiz for chapter 1. After reading chapter 2, there is a task for you to complete that is all about friendship. I think you will enjoy it.

I shall be looking at your answers and work, with house points ready for your good efforts. Make sure you look out for my comments! Deadline to complete the homework is 20th September, when the task expires.

As ever, please don't hesitate to contact me via email if you any queries.

Year3-2020@st-lukes.leics.sch.uk

Kind regards,

Mrs Padam
