

Homework week commencing 31st August 2021

Welcome back to a new term and a new school year! I hope you've all had a great summer. Please find below details of our weekly homework.

As part of our new Science work on the Human Body, I have set a new task on Busy Things for you to do. The login details should be the same as last year. The task is related to learning that has been covered in class, so you should be fine with completing it. Any questions, please don't hesitate to contact me via email.

Muscles
Label the common muscles of the body.

INTERACTIVE WORKSHEET

The image shows an interactive worksheet titled "Muscles" on a green background. On the left, there is a diagram of a female runner in a blue leotard. To the left of the runner is a vertical list of muscle names: Biceps, Triceps, Deltoids, Pectorals, Abdominals, and Thighs. Lines connect these names to corresponding points on the runner's body. To the right of the runner is another vertical list of muscle names: Biceps, Triceps, Deltoids, Pectorals, Abdominals, and Thighs. The text "Label the common muscles of the body." is written below the diagram. In the bottom right corner, there is a circular icon with a green checkmark and a red X, and the text "INTERACTIVE WORKSHEET".

Weekly spelling tests will start from next Monday 6th September onwards, so please practise your words on a regular basis.

Mental Maths tests will start later in the term.

Kind regards,

Mrs Padam
