

24.9.21

Please log in to Busy Things, your home task is in your assignments. Please try and label the human skeleton using the common names.

Human skeleton - common names

Label the bones.

Available from: 24/9/2021
Due by: 1/10/2021
Assigned by: Miss Smith

The image shows an interactive activity interface. On the left, there is a diagram of a human skeleton in a running pose. To the right of the skeleton is a vertical list of labels with corresponding lines pointing to specific bones. The labels are: Skull, Ribcage, Ribs, Pelvis, Femur, Tibia, Fibula, Humerus, Radius, Ulna, and Cervical vertebrae. The background is light green with a pattern of smiling stars.
