

17.9.21

*Things to try at home to support learning in the classroom this week. You do not have to complete them all*

- *Go on Spelling Shed. You will be recapping some Common Exception Words. Challenge yourself to add some to a sentence.*
- *Try counting forwards and backwards from any number between 0-100.*
- *Explore our knowledge organisers (located on the 'our curriculum' page) and tell an adult what you have understood so far.*
