

Autumn Learning Update – Wednesday 18th December 2024

Dear Parents/Carers,

With a few days left, the Christmas break is in sight! The children have worked incredibly hard and we are extremely proud of them.

This term, Year 4 have made some wonderful memories together and have achieved many accomplishments! Some to mention; our first school trip to Bradgate House/Park, performing a brilliant Remembrance Assembly, learning to play a Brass instrument and enjoying some festive fun at our Christingle Event.

In Maths, Year 4 have completed their learning block of Multiplication and Division. During the break, it would be useful to spend some time at home practising on TTRockStars. In the Spring term, Year 4 will begin learning about Length and Perimeter.

In English, Year 4 have learnt how to write a persuasive letter effectively. The focus was to think of strategies to help reduce the traffic congestion on Main Street. The children also wrote a letter to Father Christmas asking to be his Elves! In the Spring term, Year 4 will be focusing on Narratives.

In topic, we will continue learning about The Ancient Egyptians. We would love if your child could create a poster or gather some research for our classroom display.

We would also like to take this opportunity to thank you for your support this term including your positive feedback, cards and gifts during this festive season.

Finally, we wish you and your families a joyous, cosy Christmas and a wonderful New Year!

School reopens on Monday 6th January 2025.

Mrs Greer & Mrs Mitchell 😊
