Learning Update – Spring 2

Dear Parents/Carers,

What a brilliant half term Year 4 have had. We would like to thank you for trusting us to take your child/ren to Beaumanor. Photos have now been uploaded onto our class page. It was a fantastic experience, there were countless smiles of joy, laughter and memories made for a lifetime.

In Maths we are currently finishing up our learning block on Decimals. After the Easter break, we will start learning about Money. In English, the children have worked hard writing explanation texts. Each child has written about the importance of the Nile and how Plants grow. After Easter, we will be learning how to write a persuasive brochure.

Topics this half term have been electric, learning about Electricity and creating a model torch with a working circuit. We've also enjoyed Art, exploring line techniques and visits to "The Attic". We will be learning about The Americas next which is exciting.

It has been wonderful to catch up with you regarding your children's learning journey in Year 4. Please remember to return the Spring assessments by Friday 11th April.

A reminder that **RISE VOICES** is on **Wednesday 7th May 2025**. We will share more details nearer the time. However, please note that the children will be departing by coach from school to travel to the venue. After the performance, all children will return to school by coach. This is where you will then collect your child.

School closes on Friday 11th April and reopens on Monday 28th April.

Have a lovely Easter break and enjoy your treats from us both.

Mrs Greer & Mrs Mitchell
