

Dear Parents/Carers,

I can't quite believe we've reached our final half term together! With just six weeks to go, we're looking forward to making the most of every moment. This term will be full of exciting learning, special memories, and lots of opportunities to celebrate how far the children have come in Year 1.

Units for this half-term

English	Writing to entertain: narratives Adjectives to compare
Maths	Place value to 100 Money Time
Music	Let's perform together
RE	How should we care for the world?
PE	Athletics Striking and fielding
Learning for life	Growing and changing
Geography	Hot and cold places
Art	Portraits
DT	Cooking- Smoothies

PE – Wednesdays and Fridays

Your child must come to school dressed in their PE kit. All jewellery must be removed at home, and hair should be tied back. We are unable to provide tape to cover earrings or jewellery. Please ensure all PE clothing and uniform are clearly labelled with your child's name to help prevent lost items.

Phonics Screening Check

This half term, the children will be taking part in the Year 1 Phonics Screening Check during the week beginning Monday 9th June. Please continue to support your child with daily reading and flashcard practice—every little bit makes a big difference!

Additional Learning Support

In maths, we'll be exploring place value to 100, money, and time. Any extra practice at home—such as spotting numbers on signs, using coins during play, or talking about the time—can really help to deepen your child's understanding and confidence. Thank you for your continued support. Ideas for how to support all areas of the curriculum can be found on the school website.
