

Work for the week beginning: 22.2.21

This is the plan for the week. All the lessons are in order. If you missed any from last week, go back and get those finished before doing these. If possible, try to catch up over this week. If there is too much to finish in any session, DO NOT WORRY! Fit it in as soon as you can and send it in then. Any questions - ask in the 'Ask your teacher' channel on Teams! Don't stop working though - keep going! Mrs B and Mr A

	am			pm
	Maths	Shared Read	English	Other subjects
<p>Monday</p> <p>Assembly - Mr Galvin Assignment in Teams 11.10- 11.30 Teams call with Mr A</p>	<p>Each day there is a video about the day's skill and a worksheet. There are Extra Challenge, Extra Fluency and Answers sheets.</p> <p>Add fractions Video: https://vimeo.com/505801286 Any extra time - do <i>Hit the Button</i> Number Bonds Make 100 or Make 10 activities. 5 minutes on TTRS</p>	<p>We have 2 weeks left to work on Secrets of Sun King by Emma Carroll. The weekly PDF is uploaded into Teams in the English folder. Each day has its own slide – please do not edit the slides!</p> <p>Chapter 19 Read chapter 19 and answer the questions on the slide</p>	<p>A PDF explaining this week's work is uploaded into Teams in the English folder. Please complete only the work set on the correct days. We will be writing narratives based on a theme of the Man on the Moon.</p> <p><u>L.O. To develop initial responses</u></p> <p>1 game on Spelling Shed</p>	<p>Computing - Creating your own database Part 3 Continuing the activity from where you finished last session. Most of you have finished your record cards - if you have not finished at least 8 - do some more. Today, you need to work out some questions, which somebody else would have to search your database to find out the answers to: Powerpoint is Part 3. If you did this bit last week - you can do an amazing photos PowerPoint on the natural world or, if you have done that, a PowerPoint on fractals in nature.</p> <p>French LO: Use numbers 1-100, understand and say prices in Euros for a fruit salad. You need the printed worksheet. Go to Purple Mash - Year 5 Work folder - load Lesson 3 link - click on 'Click here to start the lesson'.</p> 
<p>Tuesday</p> <p>Message from Lizzie Assignment in Teams 11.10- 11.30 Teams call with Mr A</p>	<p>Activity Add mixed numbers Video: https://vimeo.com/507460650 The short activity is on the video - to do on paper during the pauses. The do a range of <i>Hit the Button</i> activities, Halves and Doubles sections and then any others 5 mins TTRS</p>	<p>Chapter 19 continued Respond to the questions on the slide</p>	<p><u>L.O. To use complex sentences to describe two contrasting settings and characters</u></p>	<p>PE/Games 25 min workout with Joe Wicks: click on one of this week's sessions: https://www.youtube.com/user/thebodycoach1</p> <p>RE - What did Jesus do to save people? Load the Lesson 1 PowerPoint completing tasks on the worksheet</p>
<p>Wednesday</p> <p>11.10- 11.30 Teams call with Mr A</p>	<p>Add mixed numbers Video: https://vimeo.com/507550069</p>	<p>Chapter 20 Read chapter 20 and answer the questions on the slide</p>	<p><u>L.O. To develop a rich understanding of words associated with sadness</u></p> <p>1 game on Spelling Shed</p>	<p>Science Earth and Space - Lesson 1 Spherical Bodies You will watch view the PowerPoint and record work on the Worksheet.</p>
<p>Thursday</p> <p>11.10- 11.30 Teams call with Mr A</p>	<p>Subtract fractions Video: https://vimeo.com/507661410 5 mins TTRS</p>	<p>Chapter 20 Respond to the questions on the slide</p>	<p><u>L.O. To write the opening of a narrative</u></p> <p>1 game on Spelling Shed</p>	<p>Music/DT Watch the PowerPoint Introduction to Gustav Holst – a composer. Focus on 'Mars'</p>
<p>Friday</p> <p>11.10- 11.30 Teams call with Mrs B</p>	<p>Subtract mixed numbers Video: https://vimeo.com/507661410 mins TTRS</p>	<p>Chapter 21 Read chapter 21 and answer the questions on the slide</p>	<p><u>L.O. To plan the build-up of a narrative</u></p>	<p>Screen free time: Move away from the screens – do something you enjoy! Here's some ideas if you can't think of what to do: Decorate cupcakes/biscuits with a space theme, design and make a moon landscape, make a house to live on the moon, write your name in graffiti style and colour/paint, make pom poms from scrap wool</p>
