

**Work for the week beginning: 1.2.21**

This is the plan for the week.

All the lessons are in order. If you missed any from last week, go back and get those finished before doing these. If possible, try to catch up over this week. If there is too much to finish in any session, DO NOT WORRY! Fit it in as soon as you can and send it in then. Any questions - ask in the 'Ask your teacher' channel on Teams! Don't stop working though - keep going! Mrs Benson and Mr Alford
