

Work for the week beginning: 11.1.21

This is the plan for the week.

All the lessons are in order. If you missed any from last week, go back and get those finished before doing these. If possible, try to catch up over this week. If there is too much to finish in a session, DO NOT WORRY! Fit it in as soon as you can and send it in then. Any questions - ask in the Bubble on Teams! Don't stop working though - keep going! Mrs Benson and Mr Alford

Monday 11th January	<p>Multiply 2 digits (area model Part 2) Watch the video (different to Friday's). https://vimeo.com/488076765 This covers the next level of skill and questions 8-9 on worksheet. If you finished the worksheet on Friday, there are extra questions and problems to do.</p> <p>5 games on Garage on TTRS (if you are not yet a Rock Star (or better) do 5 games twice in the day - it is really important you get the tables learned - all our work now on multiplication, division and fractions uses them a lot.</p> <p>Any extra time - do <i>Hit the Button</i> - doubling and halving activities and note down which level and your scores.</p>	<p>Secrets of a Sun King by Emma Carroll is our book for the next few weeks.</p> <p>The weekly PowerPoint is uploaded into Teams in the English folder.</p> <p>Read Chapter 1, complete questions on slide 1</p>	<p>Power Point explaining this week's work is uploaded into Teams in the English folder.</p> <p>L.O. To find facts from a given text.</p> <p>1 game on Spelling Shed</p>	<p>Computing <u>Databases - Searching a database - Part 2 Complex Searches</u> - you did Simple searches last Monday. Have a look at (or print out) the Complex Searches Help Sheet. You need a copy of the Alien Questions 2 either to print or view on screen. I have set the 2Investigate database as a 2Do - you will need to select the Aliens database when it opens. Search the Aliens database you used last week to find the answers to the questions on the sheet. When completed, load the 2Do Alien Questions and copy your answers on to the online form on screen and 'Hand in' on Purple Mash, like you did last week. Extension: Try writing a Search which needs 3 searches: _____ AND _____ AND _____</p> <p>French <i>J'ai soif</i> (I'm thirsty) The lesson is about drinks There instructions are on a sheet (page 1) and there is a worksheet (page 2). If you can't print them, put the answers in your book. Load the presentation, use the instructions as you work through the slides. Send in a picture of your written work.</p>

<p>Tuesday 12th January</p>	<p>Multiply 2 digits by 2 digits Watch the video: https://vimeo.com/488553863 and complete the worksheet questions. You must use squared paper to do all the calculating now - it is important that your digits are in the correct columns. There are some extra challenge problems</p> <p>5 games on Garage on TTRS (if you are not yet a Rock Star (or better) do 5 games twice in the day</p>	<p>Complete slide 2</p>	<p>L.O. To explore features of report writing</p>	<p>PE/Games 20 min workout Joe Wicks: https://www.youtube.com/watch?v=I9sciRMnE1c</p> <p>RE Creation/Fall Creation and Science: Conflicting or complementary You can print out the worksheet or put the date and title in your book and work there. Read Genesis Ch 1 which you can read in your own Bible if you have one or by clicking this link: https://www.biblegateway.com/passage/?search=Genesis+1-2.3&version=ICB In the oval on the worksheet, draw and label each event with a key word from the text. You will need 6 pics and a word for each. How did this story make you feel? Write some thoughts and feelings in the box.</p>
<p>Wednesday 13th January</p>	<p>Multiply 3 digits by 3 digits Watch the video: https://vimeo.com/488555095 There are extra challenge problems and some extra fluency calculations if you just need some more practice at the technique</p> <p>5 games on Garage on TTRS (if you are not yet a Rock Star (or better) do 5 games twice in the day. If you are Rock Star and faster, do some <i>Hit the Button</i> - doubling and halving activities and note down which level and your scores.</p>	<p>Complete slide 3</p>	<p>L.O. To explore features of report writing</p> <p>1 game on Spelling Shed</p>	<p>Science Lesson 3 - Gravity - make sure you have already done lessons 1 and 2 from last week - website.</p> <p>You need a set of weighing scales and a set of objects you can put on the scales. There is a worksheet to be printed or you can copy the table and work directly in your book.</p> <p>View the PowerPoint Gravity.</p> <p>Complete the weighing activity at the end. There is some dividing by 10 to do - a bit of mental maths (or with jottings) for you!</p> <p>Extension activity - consider how much objects might weigh on other planets by following the link.</p> <p>Optional activity - Gravity Comprehension - 2 sheets</p> <p>Have a look at the book <u>Gravity</u> on Curriculum Visions</p>

<p>Thursday 14th January</p>	<p>Multiply 4 digits by 2 digits (basic) Watch the video: https://vimeo.com/488667737 There are extra challenge problems and some extra fluency calculations if you just need some more practice at the technique</p> <p>5 games on Garage on TTRS (if you are not yet a Rock Star (or better) do 5 games twice in the day</p>	<p>Complete slide 4</p>	<p>L.O. To draft a report on the Pyramids of ancient Egypt</p>	<p>Ancient Egyptians, Lesson 2 Work through the Powerpoint and complete the tasks.</p> <p>You will need a yoghurt pot – empty so eat the contents first and wash it out! You will also need some blutak (or Sellotape) and some straws or small sticks.</p>
<p>Friday 15th January</p>	<p>Multiply 4 digits by 2 digits part 2 Watch the video: https://vimeo.com/488668598 There are extra challenge problems and some extra fluency calculations if you just need some more practice at the technique</p> <p>5 games on Garage on TTRS (if you are not yet a Rock Star (or better) do 5 games twice in the day</p>	<p>Complete slide 5</p>	<p>L.O.
